GIVING SECURITIES TO IRCF

Thank you for considering a gift of securities to International Reptile Conservation Foundation. To facilitate electronic transfer, receipt and proper acknowledgement of your gift, please provide your broker these delivery instructions.

It is very important that you also complete the form below and fax, e-mail, mail or otherwise deliver it to us. Stock received by our broker without the donor's identity is in danger of becoming lost, so completion of this simple form will help us identify your gift quickly.

If you have stock certificates in hand, please contact IRCF Gift Planning at 1-877-472-3674 or 408-270-3886, or email sb@ircf.org for instructions.

If the value of your securities has declined since you purchased them, it may be to your advantage to sell them and give the cash proceeds instead. Please check with your own professional advisor for details.
